

HARLEQUIN

Why to upgrade?

Top reasons to upgrade to a new Harlequin:

- **Evo Harlequin Software Version: high performances and maximum flexibility thanks to new algorithms and ever more accurate symmetry**
- **Update to Windows 10 Operating System**
- **Last Software version with new interface**
- **NEW Industrial hardware and high-quality design**

Very high-resolution color cameras and LED light units: **more stable** and **long-lasting** light unit compared to neon traditional one

Immediate recommended spares: in case of break, **immediate substitution**, no production stoppage
